

## **IMPORTANT SAFETY NOTICE**

To ensure the safety of your children, our students, we would like to remind you of some basic safety rules:

### **Obey traffic regulations and laws!**

- Do not park facing against traffic
- Drive on the right side of road
- Don't speed when you are approaching and/or leaving the school
- Do not stop/park on the school side of William Street during drop-off and dismissal
- Do not block cross walks
- Stop at stop signs
- Stop at school bus stop signs (both small and large buses)
- Obey the parking signs

### **Please get out of your car!**

Have your son exit your vehicle on the sidewalk side and proceed with him. Please note the security guards are not crossing guards. They will NOT help your son cross the street.

### **Please DO NOT block the buses.**

The bus drivers cannot let the children off the bus if they cannot pull up by the school. Blocking the buses will create a traffic jam. These buses have other runs also and are delayed if they cannot leave the Yeshiva on time.

### **Please use extreme caution as you drive by the crosswalks as children could be crossing!**

### **Please be mindful of the construction site.**

Thank you for your cooperation.
